Areas affected by the quake

Japan members update

Mar 03/13/11

Message for MLS members

Magic Lantern Society members will be glad to know that I have heard from our members in Japan, Gart Westerhout, Machiko Kusahara, and Yoriko Iwata. All of them are fine, although there was some damage to Machiko's apartment and office, with books and other items falling off shelves, including, unfortunately, some magic lanterns. Nothing on the scale of destruction in other parts of the country, however.

Hi, quick note to let you know that Gart Westerhout and Yoriko Iwata were not affected by the quake and its aftereffects, each living quite a distance from the disaster area. Please feel free to pass this along to members, and sincerest thanks to those who have already e-mailed their concern.
